Win tickets to see ARCO at BREC!

The much anticipated feature-length children's version of Adam Kelly's award-winning show, **ARCO**.

Co-written and co-created by Adam Kelly and James Berlyn, this charming WA Youth Theatre Company production has been developed for children aged 7+ and their families, with invaluable dramaturgy from Alex Desebrock.

Supercharged by the exciting animations of fellow Perth-based neurodiverse artist Ben Hollingsworth, ARCO Jnr introduces lovable protagonist Finbar the fish, firebreathing Morguthul and others, to assist with storytelling. In his solo performance, Adam uses the characters to paint a picture of the different parts of himself, and to share the message that we're acceptable in our entirety; just the way we are.

ARCO Jnr is an illuminating and joyful journey for the whole family.
Join us as Adam and Finbar dance, draw, fly and joke their way into our hearts.
