In a Mont Blanc foothill school, students facing academic challenges, inspired by teacher Alain, embark on a daring mission into a glacier's depths to witness its beauty and confront the threat of climate change. Against all odds, guided by their teacher, they passionately commit to protecting the glacier, recognising there's no planet B.

## DIVERTIMENTO

1pm Apr 18 - 4pm Apr 20

Classical symphonic music is everything for 17-year-old Zahia Ziouani and her twin sister, Fettouma. Driven by determination, passion, and courage, they create their own orchestra, Divertimento. Based on a true story.

## THE THREE MUSKETEERS: D'ARTAGNAN

5.30pm Apr 18 - 10.30am Apr 19

France's biggest box-office success of 2023, D'Artagnan follows a spirited young swordsman, Charles D'Artagnan (François Civil), on his journey to join the King's elite Musketeers of the Guard. But his quest will lead him into the heart of a conspiracy where the future of the nation itself is at stake.

## MR BLAKE AT YOUR SERVICE

1pm Apr 19 - 11am Apr 20

Starring the dynamic duo of John Malkovich and Fanny Ardant, this sweet and humorous romantic comedy explores culture clashes, unexpected friendships, and second chances at happiness.

## ALL YOUR FACES

3pm Apr 19 - 1.30pm Apr 20

Since 2014, Restorative Justice in France has offered victims and offenders the chance to talk to each other. A long self-transformative journey, guiding characters through forgiveness and empathy.

## THE PRESIDENT'S WIFE

5.30pm Apr 19 - 4.15pm Apr 21

When arriving at the Elysée, Bernadette Chirac (Catherine Deneuve) expects to finally secure the position she deserves, having always worked in the shadows to support her husband's path to the presidency. Set aside for being deemed too old-fashioned, Bernadette decides to take her revenge by becoming an unavoidable media figure.

## THE TASTE OF THINGS

6.30pm Apr 20 - 1.30pm Apr 21

In 1885, after 20 years working for gourmet Dodin, cook Eugénie's culinary partnership turns romantic.
